* GRAND OPENING *

You are cordially invited to the official opening of the **Colm Sullivan Art Gallery** on Friday, 18th April 2008. The opening will occur nearly seventy-five years to the day after the death of its namesake Colm Michael Sullivan, a condition which was stipulated in his last will and testament in 1933. Colm envisioned incidents in his mind. He had knowledge of events, and painted each from memories of people involved. He took part in many of the occasions personally, but others he painted from imagination and recounts of the happenings. His art is a living history of his own family, the Larkin's and their wondrous estate, and brings his descendants full circle.
